

**Sandoz ESOT Study Grants:
Transplantation
Call for Applications**

Sandoz Pharma Ltd. offers annual study grants totaling SFr. 40 000.– to individuals involved in the clinical or experimental fields of transplantation. Each study has to be performed in a country situated in Europe that is not the country in which the applicant is currently working. There will have to be a specific purpose with a clear study goal. The period for which an applicant may apply for financial support can vary from one to several weeks or months. Congress visits will be excluded from any study grant. The Council of the European Society for Organ Transplantation (E.S.O.T.) will administer the Sandoz ESOT Study Grants. The selection and final decision will be made by the Council. Applications must be in English, should specify the purpose of the

study, and should be supported with relevant documentation, including a full curriculum vitae. The application must be signed by the head of the department/program where the study will take place. Neither the heads of the departments nor the applicant necessarily has to be a member of E.S.O.T.

Applications should be sent to:
Professor C. Hammer, Institut für
Chirurgische Forschung der Universität
München, Klinikum Grosshadern,
Marchioninistrasse 15;
D-81377 München, Germany.

**Envelopes should be clearly marked
"Sandoz ESOT Study Grant."**

**Sixth Alexis Carrel Conference
on Chronic Rejection and Graft
Atherosclerosis 4–7 December
1996, Banff, Alberta, Canada**

The Sixth International Alexis Carrel Conference will be held in Banff, Canada, from Wednesday through Saturday, 4–7 December 1996. The meeting is aimed at transplant physicians, surgeons, pathologists and immunologists, as well as health care professionals with an interest in transplantation.

For information regarding registration and abstracts, please contact the conference organizer:
