

**1000 Liver Transplantations  
at Cliniques Saint-Luc –  
An Update Symposium  
30 October 1998,  
Brussels, Belgium**

To celebrate the 1000 liver transplantations performed at the Cliniques St-Luc, an international symposium on liver transplantation is being organized. Different national and international authorities will be invited to update our knowledge about indications, surgical techniques, follow-up, and future aspects of liver transplantation.

**9th Congress of the  
European Society for Organ  
Transplantation  
20–24 June 1999,  
Oslo, Norway**

The 9th E.S.O.T. Congress will be held from Sunday, 20 June, through Thursday, 24 June 1999, at the Sjolyst/Norwegian Trade Fair in Oslo, Norway. There will be invited speakers, plenary sessions, "update" sessions for those not in the field, "young" meets "old" and educational lectures covering "fast-moving" topics. We also hope to organize a new type of "consensus discussions". A call for papers and provisional program will be circulated in an "Invitation Announcement" in

July 1998 and will contain abstract forms. Proceedings of the congress will be published as a supplement to
